[Dubai Property Market continues to profit from high demand](#)

Hamburg, 31st July 2007. The development of Dubai as the centre for finance, service provision, trade and tourism in the Arab world continues unabated. The demand for all types of property, including both residential and commercial real estate, is also still undergoing an upward trend. These are some of the findings of the latest market report carried out by the five Engel & Völkers offices operating in Dubai.
